DIRECTIONS, POWERED BY A HIGHLY  
QUALIFIED AND DIVERSE STAFF

# ABOUT US

---

The Arabian Projects Company: a new venture which was found after the merger of two highly reputable and experienced companies, JTD and APC.

Both companies have a combined experience of more than half a century of providing services across a wide spectrum of areas. This merger resulted in the establishment of APC which will aspire to provide the same quality of services as its predecessors.

# A WORD FROM OUR CEO —

**“At APC, we take great pride in our commitment to providing personal and professional services in a responsive, high-quality manner.”**

There is no doubt our services are a direct reflection of our individual capabilities, personalities, and experiences. Consequently, we strive to build client / consultant relationships that are mutually rewarding.

Establishing close relationships with our clients is a key element to reaching total solutions we cultivate each client relationship from the initial concept to completion, often maintaining contact years after a project is finished.

We believe successful business is achieved through a balance of significant experience, a working knowledge of today's best practices and access to cutting edge technology.

Jamal T. Al Dabbagh | CEO
